

## ***About the Conference***

The emerging modern mobile robotic systems and intelligent information systems are becoming increasingly ubiquitous and distributed, where it is intended to operate in a highly dynamic and continuously fluctuating societal and economic environments. Moreover, the introduction of autonomous systems has revolutionized wide range of applications like agriculture, healthcare, education, military, industries, and so on. This 2<sup>nd</sup> International Conference on Machine Learning and Autonomous Systems [ICMLAS 2022] hosted and organized by Rohini College of Engineering and Technology, Tamilnadu India on 7-8, October 2022 will be an interdisciplinary platform for the researchers to contribute their research works that address the state-of-the-art technologies, development, and methodologies for the futuristic intelligent autonomous system developments and applications.

## ***About the College***

Rohini College of Engineering and Technology is the most prestigious institution established by a well-known industrialist and philanthropist, Shri.K.Neela Marthandan in 2012. More than 2650 students are pursuing their studies in 5 Under Graduate and 4 Post Graduate programmes. Anna University has recognized Department of Mechanical Engineering as the Research Centre. The academic system followed is Outcome Based Education.

## ***Call for Papers***

### **Machine Learning :**

- Computational Learning Theory and Applications
- Knowledge Discovery and Acquisition
- Cognitive Modelling and Data Analysis Techniques
- Hybrid Learning Algorithms
- Data and Knowledge Representation Models
- Deep Learning Approaches
- Mutli-agent Systems and Learning Models
- Support Vector Machine
- Intelligent Information Retrieval Techniques
- Reinforcement Learning Approaches
- Fuzzy-based Learning Approaches
- Machine Learning for Web and Social Network Mining
- Mobile Data Mining and Analysis
- Parallel and Distributed Learning Algorithms
- Statistical and Analytical Learning

### **Autonomous Systems:**

- Theoretical Foundations for Autonomous Systems
- Complex and Adaptive Autonomous Systems
- Autonomous Computing Platforms and Applications
- Cognition-Inspired Autonomous Systems
- Multi-Autonomous Systems and Applications
- Autonomous Algorithms and Models
- Adaptive and Autonomous Robots
- Real-Time Autonomous Systems
- Smart and Distributed Autonomous Systems
- Autonomous Software and Operating Systems
- Autonomous Sensors and Embedded Systems
- Optimization and Control Algorithms for Autonomous Systems
- Novel Control Models and Structures for Autonomous Systems
- Innovative Applications of Autonomous Systems: Healthcare, Agriculture, Industries, Military, Smart Cities, Smart Home, Education, and So On.

## Organizing Committee

### Chief Patrons

**Shri. K. Neela Marthandan**  
Chairman  
Rohini College of Engineering & Technology

### Patrons

**Dr. N. Neela Vishnu**  
Managing Director  
Rohini College of Engineering & Technology

**Dr. V. M. Blessy Geo**  
Chief Financial Officer  
Rohini College of Engineering & Technology

### Conference Chair

**Dr. R. Rajesh**  
Principal  
Rohini College of Engineering & Technology

## Submission Guidelines

Submit full manuscript to [info.icoeca@gmail.com](mailto:info.icoeca@gmail.com)

## Registration Fee Details

### Author

Indian: 9500 INR  
Foreigner: 130 USD

### Listener

Indian: 7500 INR  
Foreigner: 100 USD

## Venue

**Rohini College of Engineering & Technology**  
Near Anjugramam JN, Kanyakumari Main Road,  
Palkulam, Kanyakumari District - 629401.  
TamilNadu, India.

## Contact

**Dr. R. Rajesh**  
Conference Chair & Convener  
Principal,  
Rohini College of Engineering & Technology,  
Kanyakumari District  
TamilNadu, India.

✉ [icmlasc@gmail.com](mailto:icmlasc@gmail.com)  
☎ ++91-8870489968

Previous publication

ICMLAS 2021 @ Springer:  
<https://link.springer.com/book/10.1007/978-981-16-7996-4>

# 2<sup>nd</sup> International Conference on Machine Learning and Autonomous Systems (ICMLAS 2022)

Organized by

**Rohini College of Engineering and  
Technology**  
**Kanyakumari, India**

On

**7-8, October 2022**

All registered and presented papers will be  
published in Springer Series - Smart  
Innovation, Systems and Technologies  
Series Editors: Howlett, Robert, Jain, Lakhmi C.  
ISSN: 2190-3018

Proceedings by
